Located in the Ambassador building, on the famous Boulevard des Moulins, this duplex benefits from one of the most sought-after central addresses in Monaco.

The area is bustling with many shops, cafes and restaurants, while providing quick access to the Larvotto beaches, luxury boutiques and the Casino de Monte-Carlo.

The residence is distinguished by its elegant façade and its luxury services such as a concierge service and an elevator. Its privileged location allows you to enjoy all the services, leisure and proximity to the sea, all on foot. The Ambassador remains one of the most appreciated buildings for the quality of its location and its services.

This completely renovated duplex, built with top-of-the-range materials, is spread over two levels and benefits from large terraces on the front and rear façade.

The main level hosts a large living area including a living room, a dining room and a contemporary open kitchen with luxurious finishes.

The decorative choices - prestigious marble, natural wood joinery, mineral shades and clean lines - give the whole a warm and refined atmosphere.

The night level includes a master suite with its elegant bathroom, as well as two guest bedrooms, each with its own powder room.

The built-in storage, the neat finishes and the architectural details (bronzed steel doors, high-end lighting) testify to a renovation of excellence.

The apartment is being finalized and will be delivered soon.
